

Getting To The Exhibition

The site address is Ragley Estate, Alcester, Warwickshire B49 5PS

Please note there is a new visitor entrance this year. DO NOT try to use the visitor entrance from 2016. You will not be allowed access.

We have a strict one-way system in operation and trying to follow your Sat Nav will invariably lead to you going the wrong way and delaying your arrival.

On approaching the site you will pick up AA road signs for the event. Once you do please ignore your Sat Nav and follow the AA signs for visitors to site. The visitor entrance is via the A422, which is different from previous events.

Do not follow signs for Ragley Hall as the main house is over a mile from the event.

Follow the APF Visitor signs for an easy trouble free journey
